## REACH Regulation

REACH is a European Community Regulation on chemicals and their safe use ([EC 1907/2006](#)). It deals with the **Registration, Evaluation, Authorisation and Restriction of Chemical substances**. The Regulation came into force the 1<sup>st</sup> June 2007.

The REACH Regulation foreseen a first step (called pre-registration) that will bring to the final Registration of these substances . This pre-registration started the 1<sup>st</sup> June 2008 up to 1<sup>st</sup> December 2008.

With the present letter we want to declare the following :

- Guarniflon SpA is fully aware of REACH Regulation and relative requirements
- Guarniflon SpA confirm that the pre-registration has taken place directly or by our suppliers and undertake itself to comply with obligations described by REACH Regulation.

**The present to declare that the products PTFE based materials currently supplied by Guarniflon SpA do not present any of the Substances of Very High Concern (SVHC) beyond the permitted concentrations/weights according the ECHA List dated 10<sup>th</sup> June 2022.**
